In the beginning God created the heavens and the earth. The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. Then God said, "Let there be light"; and there was light. And God saw the light, that it was good; and God divided the light from the darkness. God called the light Day, and the darkness He called Night. So the evening and the morning were the first day. Then God said, "Let there be firmament in the midst of the waters, and let it divide the waters from the waters." Thus God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament; and it was so. And God called the firmament Heaven. So the evening and the morning were the second day. Then God said, "Let the waters under the heavens be gathered together into one place, and let the dry land appear"; and it was so. And God called the dry land Earth, and the gathering together of the waters He called Seas. And God saw that it was good. - **Genesis 1:1-10**

В началото Бог сътвори небето и земята. Земята беше без форма и без живот; тъмнина се разпростираше над бездната, и Божия Дух се носеше над водата. Бог каза нека има светлина. И светлината се появи. Бог видя че светлината е нещо добро, и я отдели от тъмнината. Светлината я нарече ден, а тъмнината - нощ. Мина вечерта и сутринта - първия ден. И Бог каза, нека има простор по средата, за да раздели водата от водата. И Бог създаде простора, и раздели водата която беше под простора от тази над него. Бог нарече простора Небе. Мина вечерта и сутринта - втория ден. И Бог каза: нека водата под небето се събере и да се появи суши. И така стана. Сушата Бог нарече земя, а събраната вода - морета. И Бог видя че това е добро. - **Битие 1:10**

# Learning to Think different.

"Speak to the people of Israel, If any man's wife goes astray and breaks faith with him, if a man lies with her sexually, and it is hidden from the eyes of her husband, and she is undetected though she has defiled herself, and there is no witness against her, since she was not taken in the act, and if the spirit of jealousy comes over him and he is jealous of his wife who has defiled herself, or if the spirit of jealousy comes over him and he is jealous of his wife, though she has not defiled herself. (**Numbers 5:12-14 ESV**)

When Moses led the Israelites through the desert, he received the instructions about the dynamics of the spiritual realities. In Numbers 5:12-14 we meet the Spirit of Jealousy that meets the husband of the unfaithful wife. The voice of truth speaks and can not be silenced. Although done in secret, the act of infidelity causes the spirit of jealousy to arise and makes the husband jealous. The quality of our spiritual life is connected with the intellectual and physical realms and the fruits of the spirit of jealousy and envy are wrath, hate, strife, division, cruelty, revenge, etc.

**How to correct the mistakes of our past? Forgiveness is the first step towards healing and freedom. As we forgive, our past loses its grip on our future. We are able to heal and move forward. Take a look at the list above with the fruits of the spirits of jealousy and envy and begin to understand how they operate in your life and in the lives of your loved ones. Now write a short prayer asking God for forgiveness, acknowledging that the truth has a voice and speaks all the time. If there is a form of adultery in your life, the spirit of jealousy will continue to produce fruit.**

Обясни на израилтяните, че ако съпругата на някого прегреши като му изневери и няма свидетел против нея, а дойде Духа На Ревността и тя е осквернена, или дойде Духа На Ревнивостт, а тя не е осквернена, (Числа 5:12-14)

Когато Мойсей прекосява морето и повежда израелтяните през пустинята, хората получават инструкции за това което се случва в духовният свят. В Числа 5:12-14 е написано, че при изневяра Духа на Ревността идва при съпруга. Истината има глас и не спира да говори. Макар и без свидетели, когато духа на изневярата дойде при съпруга, той започва да ревнува. Стандарта на живот е обвързан с духовния свят, както душевния и физическия. Изневярата създава благоприятни условия, при които ревността и завистта произвеждат гняв, egoизм, омраза, и т.н.

Как да се оттърсим от грешките допуснати в миналото? Прошката е първата стъпка към свободата от Духа на Ревността. Каквите и грешки да сме допуснали, бъдещето може да е различно. Помисли за щетите които ревността нанася на теб и на близките ти хора. Напиши молитва, с която да опишеш как се чувствуваши и помоли Бог за прошка, осъзнавайки че истината има глас, който не може да се заглуши. Ако изневярата продължава, Духът на Ревността ще продължава да работи в живота ти.
